Step 2: Connect Hearts to controller:

Connect hearts to the controller left to right starting on output #1 and ending on output #8.

Step 3: Setup Controller

There is timing in WowLights V2 Pro Plus Valentines Sequences for 8 Hearts on a RGB Pixie Controller ID #09. You can set the ID using the switches on the board:

Controller #09 – 0000 1001 (Switches 5 & 9 ON, all others OFF)
